Hotel Recommendation

Below is a list of the hotels in the area that we recommend:

- Hotel Zum goldenen Kopf (www.zum-goldenen-kopf.ch) is a beautiful hotel in Bülach's Old Town, only a 5-minute drive from our company.
- Hotel Mövenpick is a nice hotel close to the airport and only a 10-minute drive from our company. <http://www.moevenpick-hotels.com/en/europe/switzerland/zuerich/hotel-zuerich-airport>
- Hotel HoerInn (www.hotelhoeriinn.ch) is a nice, small hotel in Höri, but does not serve breakfast. Our company is a 5-minute walk from this hotel.

Sights

If you have the opportunity to explore the region, there are many sights around the area. Other than Zürich, a beautiful city with lots to do, there is a small historical village on top of a mountain called Regensberg- only a 10-minute drive from our company.

Bülach's Old Town is also very nice. There you will find lots of shops and good restaurants. The hotel Zum goldenen Kopf used to be a part of the old town wall.

We also recommend a trip to the Rheinfall- the most impressive waterfall in Switzerland. It is only a 45-minute drive from our company and a great place to visit. www.rheinfall.ch/en

If you are interested in the mountains you should take a trip to Pilatus, the "top of Luzern." To enjoy this sight you will need a day- but it's worth it! www.pilatus.ch/en

The “Neeracher-Ried” is a nature conservation centre which is also quite interesting and worth visiting. It is only a 5-minute drive from our company.
